In Case You Missed It!

Makofsky Law Group, P.C. and Care Answered recently hosted a webinar on the upcoming changes to the community Medicaid program. Attorney Deidre M. Baker discussed the financial changes and the new lookback period while Nicole Christensen discussed the increased medical assessment standards that are expected.

If you were unable to join this informative webinar and are interested in learning more about the upcoming changes to the Medicaid program, you can view the webinar by clicking <https://makofskylaw.com/webinars/>.
