The Makofsky Minute | May 24, 2022

Once again, COVID cases seem to be on the rise. As we continue to combat the difficulties and concerns brought on by the COVID-19 pandemic, the entire team at Makofsky Law Group, P.C. remains available to address our clients' legal concerns. We not only provide in office consultations, but we also offer clients contactless ways to meet with our attorneys, both via Zoom video conference and telephone conference.

We wish everyone continued safety and wellness during these challenging times. Please feel free to contact our office with any legal questions or concerns you may have.
