ALL MAKOFSKY LAW GROUP ATTORNEYS MAKE **Super Lawyers** LIST

We are thrilled to announce that for the first time in the firm's history, every Makofsky Law Group attorney has been simultaneously named to the New York Super Lawyers list in the same year! Ellen Makofsky was honored by being selected as part of a particularly exclusive group – Top 50 Women Super Lawyers. Lisa Valente, Christina Lamm and Deidre Baker have all been chosen as Rising Stars – an honor only 2.5% of attorneys receive.

Super Lawyers, part of Thomson Reuters, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. Super Lawyers are nominated by the attorney's peers, followed by an independent evaluation of a dozen indicators of professional achievement. The final selection is made by a panel of top attorneys from the same field who evaluate candidates in their primary practice area. It is a particular honor to be selected as a Super Lawyer because the determination is made by experts in the same field, in our case, experts in elder law.

We are particularly proud that every attorney in our firm has been recognized this year as being at the top of our field of elder law because it shows our value and commitment to our clients. Keep an eye out for the Super Lawyers insert in the October 16th New York Times, which contains a wonderful profile of Ellen Makofsky. Can't wait? [Click here to read the article.](#)
